The **AMWC 2024 - Pre-congress course - ADVANCED FACIAL AESTHETIC MASTERCLASS, Monte Carlo, Monaco, 26/03/2024** organized by AMS (Aesthetic Multispecialty Society) has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) for a maximum of **8 European CME credits (ECMEC®s)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities. Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
